Super Exciting NEWS!

*IP Gudrun Yngvadottir launched a new Program on July 1, 2018 called **New Voices!** The **New Voices** initiative celebrates the contributions made by women as Lions Clubs International welcomes its first International President ... from Iceland, who happens to be a woman! This initiative promotes parity by focusing on increasing the number of women in our Lions Clubs. It also includes closing the gap between men and women in Leadership positions. This will be done by facilitating planning and presenting workshops/seminars/symposiums at the District and Multiple District Conventions. It is also inclusive of Forums; such as the USA – Canada Forum where the **New Voices** Teams from US & Canada will present together there.*

*Appointed as Constitutional Area-1's Leader is IPID Joyce Middleton, from Massachusetts. I am more than humbled to be nominated as 1 of the 3 Speakers for CA-1. The other 2 **New Voices** Speakers are PCC Mary Ryneanson from California and PDG Linda Albrect-Norby from Minnesota. It was a delight to meet both Mary & Linda personally in Las Vegas at the International Convention and to support IPID Joyce as **New Voices** was introduced at the session there. The **New Voices** Team consists of 32 members from around the world. Taking the helm is IP Gudrun, but PID Sangeeta Jatia from India is wheel leading the over-all Team.*
