Missouri Lions Eye Mission Foundation

Missouri Lions Eye Mission Foundation became a 501 (c) 3 non-profit foundation chartered by the State of Missouri over two years ago.

Since that time, we've had three mission trips. Our fourth trip will be this September (to Tuxtla Gutierrez , Mexico). These trips have included Lions members, families, and doctors from across the state. On a typical trip with two clinic days, we usually serve approximately 800 people who receive recycled glasses collected by Lions.

We plan to have two trips in 2020. We don't know locations or dates yet. However, it's important for us to have interested participants. Please consider making a trip next year. You won't regret it.

Everyone who has made one of these excursions wants to return. We all have heard the question "When did you become a Lion?" For many of us, it happened when we made our first mission trip. It almost seems that we get more from these trips than the people we serve.

We have four primary goals for the coming year:

- 1) We want to expand our volunteer base to all districts in Missouri.
- 2) We want to have an Eye Mission Foundation Ambassador in each district. This person will promote missions to both Lion volunteers and doctors.
- 3) We want to find doctors who can eventually become lead doctors on Missouri Lion trips. If you have doctors in your clubs, or doctors in your community, please let them know about our mission trips.
- 4) We encourage you to make donations to the foundation or assist us in getting grants. We need these funds for the stipends provided to the doctors. We also hope to purchase our own cameras and doctor bags in the future.

More information can be found on our website (www.molionseyemissions.com). You can also find us on Facebook.

For questions, or to express interest in a future trip, please don't hesitate to reach out to us.

Missouri Lions All Star Football Game 2019

The 43rd Missouri Lions All Star Football game was played on July 20, 2019 in Warrensburg, MO on the field at the University of Central Missouri. The game time was delayed 1 hour due to the extreme heat. It ended up a beautiful evening with a slight breeze. The game was well attended by Lions and football fans and families.

The Blue Team was coached by Coach Rich Johnson from Knob Noster High School and the Gold Team was coached by Coach Chad Jamerson from East Prairie High School.

The Blue Team won the game with a score of 44-14.

Thank you to all who helped make this game a huge success.

Missouri Lions All Star Football Game 2019

Camp began on Tuesday, July 16th. There were different activities during the week, but the pictures on the left and bottom right show the players visiting with the veterans at the VA Home in Warrensburg. This is a highlight afternoon for the players and the veterans. It is exciting to see the youth of today visit with our veterans.

The Missouri Lions All Star Football game is a fundraiser for KidSight. As of now, we are on track to be able to give a donation to KidSight. "Thank you" to each of you who donated, sold ads and came out in the heat to see the game.

Missouri Lions Alert Trailers

Lion Christine Dugan, PDG Bruce Dugan**

On July 17th and 18th four members of the ALERT team for District 26-M5 traveled to Buckner, MO. to assist the Missouri Baptist Disaster relief team working in Levasy Mo. We prepared and served a hot lunch that was very much appreciated by men and women working on flood recovery on some very hot days.

Part of our duty is to work with other organizations in the disaster relief community. The Missouri Baptist Disaster relief team is very well established, organized, and respected in this community. By assisting them we hope to become better known for who we are, and what we do. By expanding our network we will have more opportunities to serve in the future.

Feeding 20 people hamburgers and polish sausages seems like a small thing but it had a big impact on those we served.

26-M5 ALERT Chairperson

(Proposed) Midwest Faculty Development Institute (FDI)

October 18-20, 2019, Independence Missouri

The Faculty Development Institute is a three-day institute that serves to develop and expand the number of skilled Lions faculty available for use in training at the club, district, and multiple district levels. The curriculum is designed to enhance training delivery skills and training techniques that will increase the quality of training and overall effectiveness of Lions leadership development programs. Starting in 2018-2019 the Faculty Development Institute's focus has changed to emphasize training delivery skills more and no longer includes sessions on curriculum development. Lions who complete the FDI are expected to be able to effectively deliver training sessions with provided materials.

Qualified candidates are those Lions who have some experience as instructors at local Lions training events, have demonstrated basic instructional skills, and have a keen interest in further developing those skills. A candidate's training experience should include using PowerPoint to support training delivery. (Note: Participants will not be expected to create any materials while at the FDI, but it will be necessary to use PowerPoint and other provided materials for some activities.) Participation is limited to sixty (60) Lions.

Lions participating in this three-day course will be required to conduct a local training event within six months of attending the institute, in order to complete the FDI requirements.

Applications

Lions who meet the qualifications may apply to the Midwest Faculty Development Institute by submitting a completed and signed application form. Applications will be available soon. Because of the high number of applications received, acceptance into the institute is not guaranteed.

Cost of the Institute

Since this is a self-funded FDI the Midwest Faculty Development Institute will provide curriculum and meals according to the dates and schedule of the institute. In compliance with LCI board policy, a non-refundable participation fee of **US\$100.00** will be required to offset a portion of these costs. This fee will be due no less than six weeks prior to the institute start date. **Please do not send funds until you receive a letter of acceptance to the institute.** Participants are also responsible to pay for their own transportation, hotel and other travel related expenses to and from the institute site.

Goal of the Institute

To infuse Lions, with FDI certification, into opportunities to serve as Faculty at upcoming Institutes.

2020 State Convention Service Project

Pediatric Service Project

We will be collecting items for Women's and Children's Hospital in Columbia.

Items needed: Books for Babies- When a child arrives in the NICU, his or her parents receive a children's book. At the start of every month, the parents receive another new book. The baby's footprints are on the inside cover of each book, giving the parents a way to see their baby's growth. Golden Books are perfect donations for this program. Other items needed stuffed animals, games, birthday balloons, party hats, birthday plates and napkins, treats and toys.

The district who brings the most items will be our VIP's for the weekend. More information of details of the contest will be on our website in 2020.
